# Crosby Dance Academy Class Descriptions & Info!

## CLASS DESCRIPTIONS

**Preschool & Kinder/1st Dance** - A fun combination of ballet & jazz. Students work on developing gross motor skills, strength, and a strong foundation of dance technique. ***Students must be age 3+ and potty trained for Preschool classes.***

**Ballet** - Ballet is classical and technically-focused, with emphasis on understanding correct body placement, proper use of turn out, coordination, balance, strength, flexibility, and grace.

**Jazz** - Dancers develop motor skills & coordination with fun and upbeat movements. Students focus on rhythm and muscle memory, as well as increase strength and flexibility!

**Tap** - Dancers sound out audible beats by striking the floor with their feet. Exercises focus on muscle memory, flexibility of the knee and ankles, coordination, and speed of movement with an emphasis on rhythm and style.

**Acro** - This class will work on tumbling skills that can be incorporated into dance routines. (Acro is more fluid & controlled, and less bouncy than other types of tumbling.)

**Hip Hop** - This fast-paced and energetic dance style incorporates the latest street/urban dance moves set to hip hop music. Hip hop encompasses a wide range of street styles and specifically focuses on developing rhythm, musicality, and coordination while encouraging individual style.

**Dance Team Prep** - Recommended for 5th-8th graders. This class is focused to improve proper technique and execution of leaps, turns, and other skills frequently seen in performance pieces.

**Tech & Stretch** - **\*NO RECITAL\*** Refine skills and increase flexibility in this focused class, combining precise technique drills with effective stretching routines. This class emphasizes injury prevention, posture improvement, and overall dance performance enhancement.

**Competition Teams** - **Ages 4+**. Audition required & additional fees apply. Contact us for info!
